

COMPANY PROFILE

ABOUT US

THE WHOLE IS GREATER THAN THE SUM OF ITS PARTS

This observation is the ethos behind the formation of TKC Partners. In 2019 our founders came together with a desire to create a team where individuals collaborate and unify to create something larger than themselves – a desire to build a holistic, multi dimensional set-up that aims to help our Clients compete and excel in ever-expanding and evolving markets.

Our Partners, with a collective experience of more than 6 decades, bring together the benefit of both professional and academic rigor and knowledge, having worked at some of the top Law Firms and Multinationals in India, and having attended the most renowned Universities in the world such as Harvard, Oxford, and the University of London.

Our teams support a rich clientele of national and multinational corporations, public sector undertakings, start-ups, and individuals. With a "We" approach, and Pan-India tie-ups, TKC focuses on encouraging a collaborative working culture, geared at growth and success through teamwork, aiming to create a culture of shared excellence, and providing creative solutions to Clients irrespective of individual areas of practice.

We believe that it is not what we can accomplish alone, but what we can create as a collective, that defines us!
